Grinding at the Organic Collection Site

Heavy equipment was brought in and put to work grinding up all the organic material at the Organic Collection Site (OCS). This is the first complete clearing of the OCS since 2005.

Remarks from General Manager, Jason Reehm

gm@alderbrookgolf.com

Hello AGYC,

It has been a really positive May in many ways. The Golf Shop saw some good numbers, boosted by a Memorial Day promotion. Grant and his team are doing well and gearing up for a busy summer. The greens crew has the course in prime condition. They have also been prepping the Wickiup, building new picnic tables at The Pointe and put out new benches on all the holes. The Clubhouse debuted a new menu, which has been really successful. (See pgs. 8-9) We are also working on many new procedures to ensure we are more organized and ready for the busy season. We are actively trying to hire additional kitchen staff. It has proven very difficult to even get applicants. We will continue to explore all avenues to get staff as I know opening on Sundays and later on the weekends is a value to many of you.

My goal as GM of this club is to ensure all members' views, opinions and concerns are heard and validated. There will be many times decisions will be made and may benefit one interest and not another. I understand that, knowing that my goal is the overall membership satisfaction. Last week we

emailed the membership regarding a pilot program on the golf side. Our goal is to increase public round play and ultimately revenue. This program has had a lot of support and has been largely understood for its overall goal. There have also been some detractors, whom I have spoken to or encouraged to come by my office to engage in their displeasure. No plan is perfect. Even rolling out something as simple as a new menu has had negative feedback. "What happened to the Tuna Melt!" There will always be two camps and that is ok, it's part of the job.

I have heard a lot of concerns regarding the pilot program and I have listened. This program is fluid and its aim is good; increase golf revenue with public play paying full price to assist in keeping member dues from going up. We are changing our time blocks to better accommodate member play on the weekends. We will be keeping Saturday the same which will be 8 - 10am. We will be changing Sunday to 9 - 11am. As I said earlier, my goal is to listen and to do what is best for the club. Please continue to reach out with your thoughts. As many of you have found, my door is open and I always make time to talk about what is on your mind.

Thank you! And have a

 **Roads & Drainage Assessment Due**

If you have opted to pay your Roads & Drainage Assessment annually, your final payment is due by June 25.

If you are on Automatic Payments and have opted to have us pull your annual payment with your ACH, we will do that on the day we pull your monthly HOA payment.

If you are on ACH and have opted to pay your annual Roads & Drainage Assessment payment via separate check, please make sure you mail your check to arrive in the AGYC office no later than June 25, 2023.

If you have opted to pay your Roads and Drainage Assessment monthly, you will still have payments due until the Roads & Drainage Assessment is completely paid off. If you are a monthly payer and you would like to pay your Assessment off early, please call the office to obtain a payoff on the Assessment and we would be happy to process your payment early.

encouraged to establish a reserve account to fund major repairs, maintenance and replacement of significant capital assets over a 30-year period. A “reserve study” is an inventory of major common area components, such as the golf course, the Clubhouse or the roads, that will need investment over the long term. By completing a reserve study and establishing a reserve fund to set aside funding to cover major prospective expenses, HOAs can plan for future needs and protect themselves from unexpected special assessments or large dues increases. Sound financial planning also enhances home values in a community.

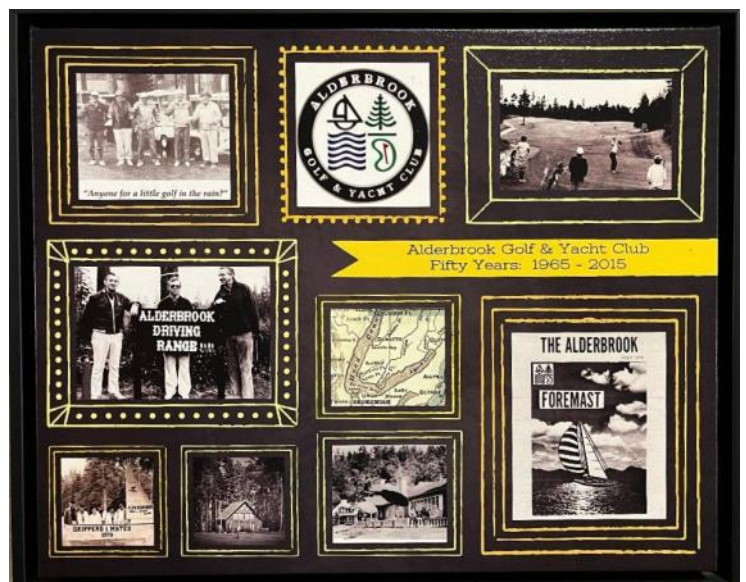

Before the change in the law, AGYC did not have a reserve study or a reserve fund although the HOA utilized special assessments to levy members for projects like the Clubhouse or the golf course irrigation system. There was also a small contingency fund for unexpected expenses. After considerable study and discussion, the Board of Directors recommended in March 2013 to establish a reserve fund. The membership voted in favor of authorizing a reserve fund on the May 2013 ballot, and \$20 was initially allocated to Reserves in FY-2013-2014. In the FY-2022-2023 dues structure, \$60 is allocated to the Reserve Fund and \$65 is allocated in the FY-2023-2024 adopted budget.

Volunteering has always played a major role in Alderbrook’s community ethos and continues to do so. The Board of Directors and many members have volunteered significant amounts of time and effort over the years to ensure AGYC’s continuing success. Eighteen committees currently provide guidance and recommendations to the Board and the General Manager in their specific areas of interest. All AGYC members in good standing are welcome to participate in or attend any committee meetings. Volunteers have managed the Roads & Drainage Infrastructure Program, produced the *Foremast*, run the Organics Collection Site for yard waste disposal, organized many self-help projects to improve or beautify the Wickiup and other parts of our community, and sponsored many popular community events. With these and so many other meaningful volunteer contributions, Alderbrook saves thousands of dollars each year because of the unpaid work donated by AGYC members.

For many years, the seven-person, volunteer

Board of Directors managed AGYC’s affairs with the Board president acting as Chief Operating Officer and department heads reporting to the Board through different committee chairs. After the golf course was purchased, the Board decided to hire a professional general manager to run AGYC’s day-to-day operations, supervise all the department heads and report to the Board. Seven general managers have held the position.

In 2015, AGYC celebrated its 50th anniversary. To commemorate the occasion, a celebration at the Clubhouse was held for the entire membership on July 26, 2015. Alderbrook was honored to have members of the Joe Lynch family representing AGYC founders Wes and Frances Johnson in attendance. Long-time members or their families who had been AGYC members for at least 35 years were also recognized, including familiar names like Wally and Marie Good, Judi Hobbs, Jeff and Bridget Johnson, the Laatz family, the Luehrs family, Carol Norbeck and Tim Micek, and Jerry and Nancy Reid. A permanent exhibit in the Clubhouse featuring AGYC’s history was unveiled and a time capsule, to be opened in our centennial year of 2065, was dedicated. The 50th Anniversary golf tournament on June 28, 2015, was a great success, and Ladies Club, the Lady Putters Club, Men’s Club and Yacht Club held special events to celebrate the anniversary.

This montage of old AGYC photos was created for the 50th anniversary commemorative wall in the Clubhouse. Stop by and look at the exhibit if you never have.

A History ...

Continued from previous page

During the past 58 years, AGYC has grown from a small group of vacation homes to a thriving community of full-time and part-time residents. Since 2015, the number of homes has increased by roughly one-third from 350 to 470. Fortunately, AGYC has retained its picturesque appeal, and residents still enjoy unmatched peace and solitude. The golf course is consistently ranked as one of the top 25 in the Northwest, and there are many social and recreational activities for golfers and non-golfers alike. AGYC's unspoiled location, the allure of Hood Canal at the bottom of the hill, the panoramic view from The Pointe and the proximity of the Olympic Peninsula are as enticing as ever.

The pandemic temporarily interrupted Alderbrook's convivial lifestyle as people retreated to their homes and social events came to a screeching halt for over a year. The Clubhouse closed for months but reopened for outside dining in June 2020. By mid-2022, most indoor activities had resumed. Unexpectedly, golf surged in popularity as a safe outdoor activity, and AGYC benefitted from the surge. During the pandemic, homebuilding continued at a breakneck pace, and the years 2020 to 2022 saw many new members join AGYC. In

fact, among those responding to the recent Strategic Planning survey, more than 50 percent have lived here for five years or less. With our vibrant community spirit, enthusiastic new members, loyal long-time members and golf's newfound popularity, AGYC has a renewed lease on life and is better positioned for the future than it was just a few years ago.

Sources: Alderbrook the Beginnings: A History was prepared by long-time AGYC residents (L to R) Janice Deiglmeier, Karen Aumend, Barb Babik and Rosemary Dawson in 2010. Without their work to preserve information about AGYC's past, this three-part series would have been much more difficult to prepare. Additional information was researched and compiled by Mary Gin Kennedy with assistance from Rhonda Westover.

Unsung Neighborhood Volunteers

Have you seen the beautiful flowers around the neighborhood?

Thank you so much to Carla Morrow, Lorene Hipp and Jan Weatherly for planting and watering these flower baskets and pots throughout the summer.

- ◆ Flower baskets on 1 and 10
- ◆ Two baskets on Beach Dr
- ◆ Four baskets at Wickiup
- ◆ Six flower pots around the Clubhouse.

A special thank you to Carla for planting flowers around the small putting green at the Clubhouse!

House and Facilities Committee By Sharon Ferguson, Chair

360-898-6565

Wow! What an incredible May - from cold and wet to hot and dry in a flash and same for Wickiup area improvements! Well, maybe not in a flash, but the transformation of your picnic and bar took "eight" hard working volunteers, plus Brent

from the golf course, to make it all happen. It started the last week of April and finished up the morning of May 15, just in time for Yacht Club.

Let me start from the beginning. In April our committee couldn't seem to get funds or volunteers, to do any repairs at the Wickiup. We know how much our Wickiup is used in the summer and we have already seen tennis, pickle ball and basketball players, kids playing and gardeners busy planting and summer has just begun.

Just before our April meeting our first volunteer, **Bill Linder**, offered to help us out with the repairs on our tables. Bill, along with **Dave Hawkins** and our committee member **Rick Reclusado**, began the effort to repair the tables and food bar at the Wickiup. The tables and food bar had huge areas of dry rot. Some tables had to be disassembled and the dry rot dug out until only a small fraction of the wood was left. They then put large pieces of wood inside those dug out holes, filled them with a wood compound and then sanded and sanded and sanded. Then reassembled, primed and painted.

What a job! And what a beautiful difference. The day after they were finished, I saw a couple sitting at them enjoying lunch together and some children playing on the swings and it made me smile.

Before

After

Even with all the work on the tables, the bar (not to confuse it with the food bar) also needed to be completely redone. It was falling apart. **Ron Paris** pulled together his golfing buddies, **Gary Fields, Lee Ferguson, Paul Pokela and Pete Wall** and built a bar to be proud of. A lot of hard work and loads of ribbing each other and laughs along the way and they produced a completely new structure

including a deck. **Brent** finished it all off by applying rock around the bar and food bar and relocated the garbage cans away from the tables to their own graveled space. The new bar was christened at the Yacht Club gathering on the 15th to rave reviews and plenty of drinks too.

A special "thank you" to **Chuck and Nancy Kizziar**, for the Weeping Cherry Tree that was placed near the children's play area, along with a bench for families to watch their children play.

Thank you Board and especially **Tim Micek and GM Jason Reehm** for the funds for materials allowing this all to happen. Greatly appreciated.

This, my Foremast friends, is why we see Alderbrook as the "little gem" it is. It's the members' willingness to step up and help when needed to keep Alderbrook this wonderful place we call home. Thank each of you who helped with the repairs and addition to our Wickiup and we invite all in the community to come enjoy!

Make sure to get your ballots in before the AGYC Annual Meeting on Sunday, June 4. The Annual Meeting

Agenda includes approval or rejection of the 2023 - 2024 HOA Budget, election of two members to the Board of Directors, Committee Reports and member questions and comments.

Where the Mission is Fishin'

By Penny Shelton

Come celebrate our 9th Annual Salmon for Soldiers Charity Golf Tournament on Saturday, July 15. It is one of Alderbrook's largest tournaments because you are all so supportive. Thank you from deep in our hearts. Last year we raised over \$35,000.

The field is full, however, there are other ways to be part of this special day.

1. **Volunteer.** Email Eileen Baumgardner at evbaumgardner@gmail.com to volunteer.
2. **Decorate your house** and win a prize. This is last year's winning house.

3. **Honor a member of your family who has served** our nation. Send us a picture of your mom, dad, brother, son, daughter, sister, etc. in uniform. We will be creating the "Path of Valor" to honor our relatives. Send your photo to Rayni Lambert at s4srayni@gmail.com with a \$50 donation and we will see that the picture is placed on a sign and added to the Path of Valor. You can add text to your sign, like their name and rank or branch of service. No more than two lines of text, please. Due date is June 30. The sign is yours after the tournament.
4. **Donate to the raffle or silent auction.** Baskets, gift certificates and other fun donations are always welcome. Contact Carla Morrow at clzmorrow@gmail.com if you wish to donate.
5. **And last but not least, join us at the clubhouse** after 3pm to listen to the Varmints Band. Everyone is welcome from 3pm to closing for a no host bar and dinner. Come out and dance.

Piscatorial Studies show that a day on the water fishing is very therapeutic for veterans suffering from PTSD. Salmon for Soldiers has no employees, all funds donated to Salmon for Soldiers go directly to the mission of sending veterans and active military members fishing at no cost to them.

Scotch Broom

On May 20, the third and final clean up of the season concluded. We had no trouble filling up the large dumpster which will be hauled away from the OCS June 2.

Thank you to all the volunteers who helped eliminate hundreds of plants from our neighborhood. Remember if you continue to pull these yellow bloomers you'll need to take them to the dump or put them in your own garbage.

Plant Swap

The plant swap was a big success with over 40 residents attending! A wide variety of trees, flowering perennials and grasses were donated, with most plants finding happy new homes.

Michael Kerkes, owner of Crazy Hill Nursery in Belfair, gave an informative presentation on how to attract birds and pollinators to our gardens.

Organic Collection Site (ocs) Tub Grinding

After getting several bids and finally securing approval from the AGYC Board, Brady Trucking brought in their heavy equipment and got to work grinding up all the organic material at the OCS (see cover). Thank you to Marilyn Eastby for managing this important work.

Now YOU can help yourself to this ground up plant matter at the OCS, open Saturday, June 3 followed by every Monday in June between 9 and 11am

Join our next work party!

This hearty band of neighbors invites you to join us June 17 from 9 to 11am as we tackle another area of our great neighborhood that needs a little sprucing up. Stay tuned for the location in an eblast.

Yacht Club By Paulette Paris, Commodore

The 95 Seafarers who turned out for our first outdoor event on May 15 were met by perfect skies and warm weather. It was a beautiful evening and bocce ball was in full swing under the guidance of Carol Norbeck. Vice Commodore Ron Edwards and wife

Char kept the bar service moving along, including the specialty Margaritas! Last but not least the Mexican Fiesta food excelled.

The highlight of the evening was the beautiful newly restored Wickiup! It took eight AGYC members who worked hard to pull it together. They were: Lee Ferguson, Gary Fields, Ron Paris, Paul Pokela and Pete Wall on the bar. The tables and serving bar were handled by Dave Hawkins, Bill Linder and Rick Reclusado. Thank you for all your hard work and commitment to Alderbrook. Volunteers are what make AGYC the place you want to live.

I hope everyone had a great Memorial Day Weekend and got out to play a round of golf. We noticed a great increase of traffic over the Holiday Weekend with a little over 600 rounds of golf being played.

Callaway and Srixon will be back this month for a second round of Fitting/Demo Days! Don't miss out on this opportunity to get fitted for clubs with a certified professional fitter:

- ◆ Srixon fitting day - June 7, 12 noon - 4pm
- ◆ Callaway fitting day - June 14, 12 noon - 4pm

All sign-ups will be done online so look for the email blast with the link to sign up for both events. If you need help signing up, please let Damian or me know. Even if the session gets booked up don't hesitate to come out. Damian and I will be there and we can help assist you in trying out the new clubs.

Please note, the course will be closed Monday, June 5 for TWGA and June 19 to host the Shelton High School Baseball Booster Tournament.

Outside that we are expecting to see plenty of daily play as we move through the summer. We will also be adding to our Golf Shop and guest service staff soon. Please make sure to introduce yourselves to the new faces that you'll be seeing throughout the summer. * Hope to see you on the course! *

Our tip this month focuses on shots out of the rough. With our rough growing out in the summer, you might catch yourself in a sticky situation with the ball lying down in the rough. The main goal is to get yourself back into position, which may not always be onto the green.

Here are a couple tips to help punch that ball out of the thick rough.

- Using a higher lofted club will help get through the rough more easily to advance the ball.
- Gripping down on the club will create stability as you are hitting down on the ball.
- Playing the ball in the middle of your stance allows you to swing down on the ball and punch it, causing it to elevate more quickly.

Next up in June:

- ◆ Monday, June 5 - TWGA, course closed
- ◆ Wednesday, June 7 - Srixon Fitting Day
- ◆ Wednesday, June 14 - Callaway Fitting Day
- ◆ Monday, June 19 - SHS Baseball Booster Tournament, course closed

The month of May was very busy for the Men's Club members. Besides the regularly scheduled Wednesday and Friday offerings, we were also involved in our first Home & Home series of the year with Lakeland Village and the initial 4 Course Challenge at Fairwood CC.

Hosting Lakeland Village on May 10, the home boys dominated play. Playing in a match play format, where you earn 1 point for each side and 1 point for overall (3 points total) we won with a score of 42.5 vs 32.5. Visiting Lakeland the next week, we held our own on their course and won 40.0 vs 35.0. Great job fellas. We had a great time meeting new people and enjoyed two fine lunches.

The 4 Course Challenge was hosted by Fairwood on May 18. There were 12 teams formulated, containing one player from Fairwood, Alderbrook, Kitsap and Twin Lakes golf on each team. Prizes were awarded for the top three teams based on the Stableford scoring system and individual winners from each of the participating clubs.

The Alderbrook winners included:

- ⇒ Mark Maxfield was on the winning team with an 88 Stableford score
- ⇒ Jeff Roberge won the Stableford net score with a 35
- ⇒ Michael Johnston won the Stableford gross score with a 27
- ⇒ The KP winner from our club was Curt Creswell

Club Team scores will be added together for all 4 Course Challenge events. The results so far after the first event are:

Fairwood	281
Alderbrook	257
Kitsap	251
Twin Lakes	249

Hole 8 clarification:

You may move your ball one club length, no closer to the hole, when your ball comes to rest in the fairway.

A ball in the rough will be played as it lies.

And finally..... As we age, the pitching and chipping game becomes very important in our quest to score well. With this in mind, make sure you work on the "Big 3" short game must do's:

1. Adjust a majority of your weight over your front foot and keep it there. If your weight moves forward you will skull it.
2. Keep your hands ahead of the clubhead. You can do this by hinging on your backswing or preset your hands ahead of the club at address.
3. Make a decision to hit high or low. On a low shot, play the ball back in your stance. If you are looking for height, play the ball up.

Bryan Ballard's first hole in one was on hole 12 on May 14, 130 yards with a pitching wedge.

Coming up:

- ◆ **Captain's Cup** starts June 1. Brackets list the golfers who will compete hole-by-hole, match play format, either 9 holes or 18 holes. The winner advances, with the winner of the final round being awarded the Captain's Cup title.
- ◆ **Flag Day** is June 15 - The chair will add your handicap to course par (72 for 18-holers, 36 for 9-holers). When you reach that score you plant your flag where your ball lands. Play continues if you haven't planted by the time you hole out on #18.
- ◆ **Member/Member Tournament** is June 20 and 22. This is a very fun tournament. 27 holes will be played with a member partner over the two days: 9-hole scramble / 9-hole Chapman on the first day; 9-hole Best Ball on the back side the second day. Lunch and cheering on the finalist coming in on hole 18 follows!

Check out the AGYC website, www.alderbrookgolfclub.com to find your current standings and your winnings. You can find Player Purse and Team Purse summaries for each Ladies Club event. As of May 25 Teri Chihara is in the lead with \$77.75!

Tea Party By Marcia Hawkins

What a great time was had by all who attended the sellout tea party on May 11.

The theme "Play-a-little, Eat -a-little, Talk-a -little" was spot on. We ate A-LOT, talked A-LOT and had LOTS of laughs with the games. After playing "What's in your purse?" all I have to say is, "If you need it Shaunna Webb probably has it in her purse." "What's on your phone?" proves I am not the only one with more than 1,000 pictures.

Leon and Katie took fabulous care of us with "tea to champagne" beverages and beautiful tiers of sandwiches and desserts. Thank you Lisa Fluke, Marcia Hawkins, Colleen McEachin and Emilie McCurley for setting up the tables and Dee Bishop who brought her tea set as well as her butler.

(Top to bottom, L to R) Catherine Laatz, Dee's butler, Lorene Hipp, Linda Harris, Leona Klein, Paulette Johnston, Elaine Puetz, Lynn Reeder, Tami Werner, Dee Bishop, Emilie McCurley, Barb Hamlin, Wendy Campbell, Lisa Fluke, Kelly Holtz, Marcia Hawkins, Glenda Stone

Luigi Bingo!

Luigi attracted 84 bingo players with 74 eating dinner. Luigi thanks the phenomenal waitstaff, setting up the tables and serving the spaghetti dinners with breakneck speed! Our GM Jason even pitched in by bussing tables! A special thank you to Karen Dobson, Linda Harris and Colleen McEachin for all the logistical help to Luigi! Fantastico!

Our Annual Community Garage Sale is just around the corner!
It's happening **Friday, August 25 & Saturday, August 26 from 9am to 2pm.**

This is an event that surrounding communities look forward to each year and people have been contacting the Main Office inquiring about the dates of the sale. It's also a fun time for all involved and an opportunity to meet your neighbors and support them as well.

We already have a dozen households signed up ... yippee! If you are interested in participating, please don't wait - let me know so you can be added to the list and the "map!" The fee is only \$15.00 which will be collected about a week prior to the event.

Contact Lynda Schwindt at jlnboys123@gmail.com or 253-278-3634. If you are new to our Community and have questions, I'd be more than happy to answer them for you.

Don't miss out! Sign up today!

MAY 2023

Coming after Fourth of July:

20-DAY CLOSURE OF SR 106 AT TWANOH STATE PARK

Travelers who use State Route 106 will need to take an alternate route for a 20-day around-the-clock closure of the roadway at Twanoh State Park. A signed detour will lead travelers around the closure on SR 3 and US 101 through Shelton.

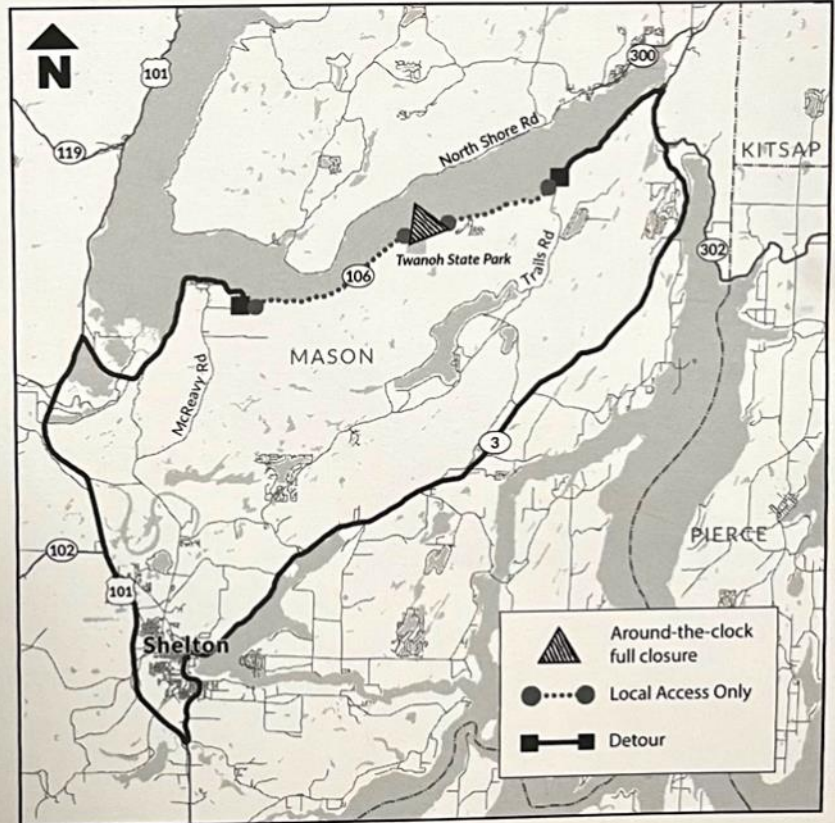

Contractors working for the Washington State Department of Transportation will remove a barrier to fish and replace it. The total closure reduces the overall timeline of the project. Travelers will also see around-the-clock one-way alternating traffic before and after the closure.

Only emergency responders, such as police, fire and medical vehicles, will have access through the closure.

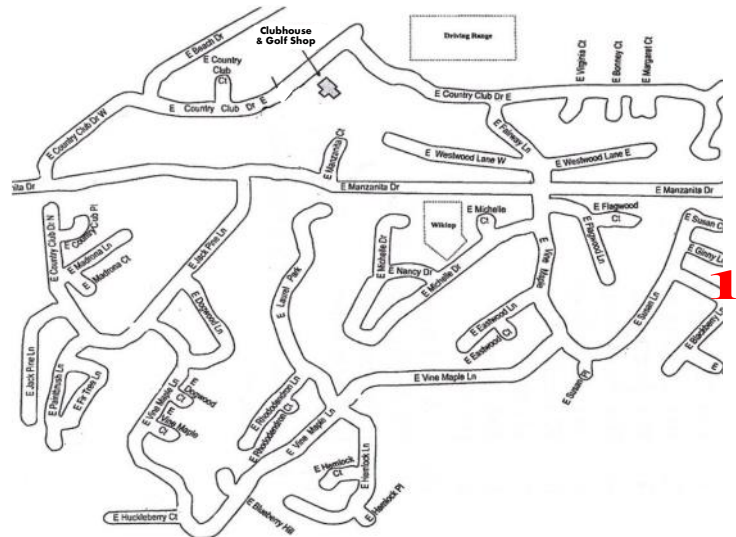

What to expect

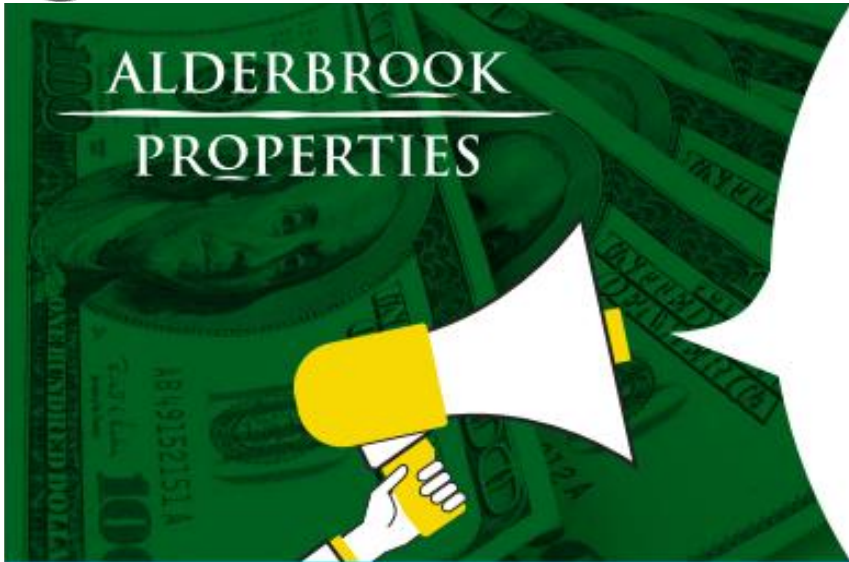

As early as July 10:

1. 20-day around-the-clock closure of SR 106 at Twanoh State Park
2. Local traffic only on SR 106 beyond Trails Road and Dalby Road
3. A detour around SR 106 using SR 3 and US 101 through Shelton.

Home Tours:

Our home tours are in-person and 1:1. They must be pre-arranged at least 24 to 48 hours in advance. Please contact Emily Reed via phone at **(360) 898-0055 (option 1)** or by email at **info@alderbrookproperties.com**. Complimentary golf passes are available to those who pre-schedule!

Only property owners in the Alderbrook community are eligible to receive the referral \$1,000 reward. You must be 18 years of age or older to participate. Notification of the referring party must be given by the referred buyer or the referring party to Alderbrook Properties prior to the referred buyer signing an Alderbrook Properties purchase agreement. The \$1,000 referral reward will be made to the referring party within 15 days of the final closing date of the home sale. One reward per referral; one referral per referred buyer home purchase. There is no limit to the number of referral rewards that can be earned by an Alderbrook property owner and/or member of the Alderbrook Home Owners Association. Employees of Alderbrook Properties are not eligible for the referral reward. Real estate agents involved as the sales broker are not eligible for this offer. Program start date February 1, 2019 and subject to cancellation by Alderbrook Properties at any time.
