The 2024/25 AGYC Board of Directors

Pete Wall, Ian Roberts, Bill Holtz, Curt Creswell, Penny Shelton, Jim Winchell and Mark Maxfield

Congratulations to Curt, Penny and Mark elected to their first term
on the Board at the AGYC Annual Meeting on June 2

Remarks from General Manager, Jason Reehm

gm@alderbrookgolf.com

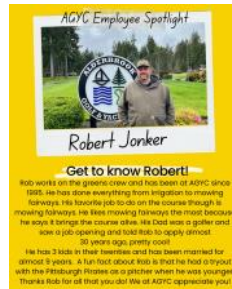

We have signs of life at the club and on the golf course in May which is very exciting. Overall, the restaurant did well on the revenue side, beating budget, but got hammered on unplanned expenses and equipment needs. The Golf Shop had another positive month and has been the

budget engine this past year on the revenue side. The office and I are starting a post mortem of the budget from last year to see what happened and how we can improve going forward. One of the main things we have seen so far is contracted services/supplies/repairs. These items often times are unplanned, immediate and costly.

The broken pipe saga in the hallway continues to provide drama. Two pipes and the slab have been repaired. That is the positive. The negative happened this week when we started adding up the tile we had in house and it was not enough to complete the job. We are working through options now on how best to finish the job as getting the same tile and color is proving difficult.

We are less than a month away from the Peace, Love & Union concert series at The Pointe and we are really excited. We hope everyone can make time to come to one or both of the events that week. I will put out a detailed guideline on where to park and what to bring and so on this week.

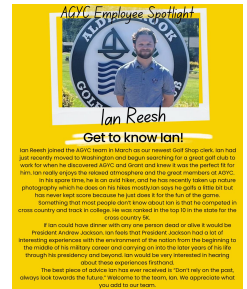

Lastly, we started our Employee Spotlight a few months ago and it has been really fun to do (see p3-4). We hope you enjoy meeting some of our great staff and learning a little more about them. We are very fortunate to have some amazing people that choose to be at Alderbrook every day!

Alderbrook Community Garage Sale

Friday, August 9 & Saturday, August 10 | 9am to 2pm

Hello Neighbors!

Can you believe that our Annual Community Garage Sale is only a month and a half away?

For those who are new to our community, this is a much anticipated Garage Sale. It's a fun and successful event that draws a lot of shoppers from all areas. And, it's an opportunity for you to sell items you no longer need or want and have others find their "treasures!"

The participation cost is only \$15 per household. We'll take care of the marketing, advertising, signage and printing of the maps. Last year we donated \$650 from the proceeds towards improvements to the Driving Range.

Contact Lynda Schwindt at jinboys123@gmail.com or 253-278-3634.

Don't wait ... sign up today!

AGYC Employee Spotlight

Ethan Macomber

Get to know Ethan!

Ethan Macomber has been our Number 1 Dishwasher for a year now.

He previously worked at Safeway and McDonalds. Ethan takes great pride in the work he does and says that what he likes most about his job is doing the best job he can do and eating the wonderful lunches prepared by our chefs.

In his spare time for fun Ethan enjoys going to the Gym, playing video games and hanging out with friends. His favorite video game currently is Injustice. Ethan is getting ready to go on Vacation to San Diego and hang out on the beach.

If Ethan had 3 wishes they would be to get his Driver's License right now, which he is well on his way to achieving. He has taken and passed the written test and plans to take the driving portion of the test when he returns from his beach vacation. His 2nd wish would be to live in the Big City of Bellingham. Ethan says he is a city boy. Finally, Ethan's 3rd wish is to have a new car. He doesn't care what kind of car as long as it is new.

Ethan we appreciate you and are very glad you are part of our team.

AGYC Employee Spotlight

Ian Reesh

Get to know Ian!

Ian Reesh joined the AGYC team in March as our newest Golf Shop clerk. Ian had just recently moved to Washington and begun searching for a great golf club to work for when he discovered AGYC and Grant and knew it was the perfect fit for him. Ian really enjoys the relaxed atmosphere and the great members at AGYC.

In his spare time, he is an avid hiker, and he has recently taken up nature photography which he does on his hikes mostly. Ian says he golfs a little bit but has never kept score because he just does it for the fun of the game.

Something that most people don't know about Ian is that he competed in cross country and track in college. He was ranked in the top 10 in the state for the cross country 5K.

If Ian could have dinner with any one person dead or alive it would be President Andrew Jackson. Ian feels that President Jackson had a lot of interesting experiences with the environment of the nation from the beginning to the middle of his military career and carrying on into the later years of his life through his presidency and beyond. Ian would be very interested in hearing about these experiences firsthand.

The best piece of advice Ian has ever received is "Don't rely on the past, always look towards the future." Welcome to the team, Ian. We appreciate what you add to our team.

Mark your calendars for two extraordinary events coming to AGYC this summer in connection with the Peace Love & Union Saltwater Songwriters Festival. The festival's main events take place at the Robin Hood Village Resort, topped by Grammy winning songwriters Kristian Bush (of the country duo Sugarland) and Paul Overstreet, whose 27 Top Ten hits include Randy Travis "Forever and Ever Amen" and the country classic "When You Say Nothing At All."

But before and after the official festival, the magic will be right here at The Pointe.

On Wednesday, July 17, Grand Ole Opry alumnus and award winning singer Coley McCabe hosts "Girls Just Wanna Have Rum," a showcase of women singer-songwriters from around the country and around the corner. Five fantastic female vocalists will share the stage for a free, 21-plus outdoor concert against one of the most beautiful backdrops in the Pacific Northwest right here at AGYC.

Doors will open at 5pm, and the concert will start at 6pm. AGYC will have a full bar at The Pointe, along with a burger and taco station.

Sunday, July 21, AGYC partners with the Peace Love & Union Festival and Salmon For Soldiers for what promises to be an unforgettable brunch concert presented through Operation Song, a national organization that pairs returning veterans and their families with professional songwriters for the healing experience of setting their stories to music.

Five local veterans and family members will be introduced to the participating writers, and some of the songs written in those partnerships will be performed for the first time here on stage at AGYC.

Tickets for AGYC members and their guests who are not festival ticket holders will go on sale at the clubhouse on July 1 for \$10.

We will be serving a brunch buffet at The Pointe for \$20++ per person, along with a full bar. Doors open at 10am and the concert starts at 11am.

Golf Course Special Assessment Approved

The \$400 Special Assessment to pay off the golf course loan next spring (2025) passed easily on June 2 (Yes – 248 / No – 47 / No Vote – 1).

The Board of Directors and the Ad Hoc Loan Committee appreciate the willingness of

the membership to pay off this loan before the next balloon payment due on June 1, 2025.

The golf course loan balance as of May 31, 2024, was \$326,373. The Business Office has already received Special Assessment payments totaling \$19,600. Although the Special Assessment is not due until February 28, 2025, the sooner your

payment is received, the faster we are able to make additional principal prepayments. During FY-2024-2025, the loan balance will also continue to be reduced by an estimated \$86,600 through the regular monthly loan payments to HomeStreet Bank allocated from the \$16.17 in your monthly dues.

Members have been notified about the passage of the Special Assessment by the Business Office. The amount due will be shown on your AGYC monthly statement beginning in July. Your \$400 one time, lump sum payment may be made by check; through your monthly ACH transaction (you advise the Business Office of the month for the deduction); by credit card (3% service fee) or in cash. Interest and late fees will be collected after February 28, 2025, if payment has not been made. Please direct any questions about payment of the Special Assessment to Dawn or Becky in the Business Office.

Debbie Warren, Dan Nicholson, Alan O'Dannel, Marilyn & Jeff Eastby, Rick Battson, Cindy O'Dannel, Jan Weatherly, Kim Razo, Chris & Bob Foster on hole 13.

Summer days have arrived with its early morning light that becomes a soft late evening glow. Fox gloves and daisies line the streets. We live in such a beautiful place!

The EC continues its purpose to beautify our common areas and this month's focus was the end of hole 13. Two new volunteers, Debbie Warren and Kim Razo, joined the fun. Many thanks to Rick Battson, Chad and his crew for hauling five loads of trimmings to the OCS.

Marilyn and Jeff Eastby hosted a delicious lasagna dinner for the committee preceding the clean up on the 14th fairway. Thank you for dinner, conversation and lots of laughs!

Join us at our next clean up on August 13. We meet at 9am at The Pointe.

The Organic Compost Site (OCS) located at 871 E Vine Maple Ln will be open Mondays 9 - 11am and the first Saturday of the month 9 - 11am. Closed on holiday weekends.

Monday, July 15 mulch loading will be available 9-11am.

Please empty debris from all containers. Plastic and paper bags are not compostable.

Neighborhood Challenge

The Blackberry neighbors got together for a golf social and competition! This idea was hatched last Christmas during a neighborhood event held at Bob and Susan Seiler's.

Sixteen neighbor golfers met for a 4-person, nine hole Scramble on Sunday, June 23 - the First Annual Butterly Blackberry Open. Fun was the name of the game.

After the tournament golfers and non-golfers met at the Wickiup for appetizers, beverages and stories.

First Place was shared by:
Mike and Tracey Lopez
Paul and Sandy Stoffel
Dan and Brenda Estrada
Dan and Denise Neshem

Denise Neshem got the KP on hole 6.

(back) Beau the Shepherd, Jim & Alicia Blake, Ron Feldman & Linda Cordero, Susan & Bob Seiler, John Butterly, Mike & Tracey Lopez, Angela & Dion Graham, Sandy & Paul Stoffel (front) Paul & Wendy Campbell, Denise Neshem, Kathy Butterly, Brenda & Dan Estrada

And now for the Challenge. Put together a group of golfers on your street, and have some fun getting to know your neighbors. Make sure to include the non-golfers in the social part. And then send a photo to the *Foremast* to be included in a future issue.

EPAC (Emergency Preparedness Advisory Committee) By Heather Boone, member

This month **Prepare In A Year** addresses **fire safety**. Please review and consider acting on the following:

-  Locate two ways to exit each room in your home. Locate a safe place outside your home to reunite with your family. Hold a fire drill at least twice each year. Regularly remind all household members of the location.
-  Help firefighters help your pets: keep collars on pets and leashes at the ready in case firefighters need to rescue your pet. When leaving pets home alone, keep them in areas or rooms near entrances where firefighters can easily find them. Affix a pet alert window cling and write down the number of pets inside your house and attach the static cling to a front window. This critical information saves rescuers time when locating your pets. Make sure to keep the number of pets listed on it updated.

 Install ABC fire extinguishers and know how to use them using the **PASS** method: **P**ull the pin, **A**im at the base of the fire, **S**queeze the lever, **S**weep side to side. One per floor is recommended as well as the kitchen and garage. Place the extinguisher away from the stove and near the doors. Consult your fire department on proper use and maintenance.

For more detailed information, we highly recommend reviewing: <https://www.ready.gov/home-fires>

Use common sense. If you perceive the fire is too big to handle leave the house immediately. Do not stop to gather anything. Call 911 from outside. Once outside, stay outside.

National Night Out

The 2024 National Night Out is **Tuesday, August 6!**

National Night Out (NNO) is an annual community-building campaign that promotes police-community relationships and neighborhood camaraderie to make our neighborhoods safer and more caring places. National Night Out benefits the relationship between neighbors and law enforcement, while enhancing a sense of community. Your blocks' participation can be as simple as meeting for a few minutes to exchange names and contact information or maybe a block party or even an ice cream social.

Let EPAC know if your street is hosting a NNO event and we will let our Mason County Sheriff's Department know,

Exciting news from your Emergency Preparedness Advisory Committee!

The AGYC Emergency Preparedness Guidebook is now live. EPAC spent considerable time preparing and

editing, in the hope the information will be useful to our community. The Guidebook is located in the Member's section of the AGYC website. Please take a minute to look it over.

Other exciting news from EPAC - Judy Hartford will be taking the helm as Chairperson. Tracey Lopez has chaired this committee since 2020. It is time for a fresh outlook and Judy is excited to take on the challenge.

If you are interested in joining the committee, please email Judy at jmhartford@comcast.net.

Greetings,

Taking divots during a round of golf is unavoidable, but getting them to heal can be a challenge for superintendents.

The way different grasses grow has a big impact on divot recovery. Some heal from roots and stems. Seed can also help divots recover for some grasses, but not all! In addition, temperature matters when it comes to divot recovery. Seeds will not germinate when it's too cold and grass won't fill in from stems when it's not growing well. The growth of almost any grass slows down in winter, but many cool-season grasses also slow down during the summer.

Divot recovery will often slow down right as play is peaking, which is not a great combination. Divots in shaded areas, wet areas or areas with poor irrigation coverage will struggle to heal no matter what type of grass is present. Traffic also plays a role. Lots of traffic will slow down divot recovery because new stems or seedlings are repeatedly trampled. This issue is especially noticeable on small tees or other areas where traffic is concentrated.

What Can Golfers Do to Help?

The first step is knowing how the course wants divots repaired. Some want you to replace divots as much as possible, others prefer you use mix rather than trying to replace the turf.

My take - both are adequate solutions. For me, the sand and seed method is the most efficient. But I have no qualms if someone hits a huge divot the size of a "beaver pelt" and replaces it.

Make sure you have divot mix with you and do your best to properly repair your divots. If the divot is intact and still has soil and roots attached, just replace it and push down with your foot to smooth it out. If the divot can't be replaced, use the divot mix. Add mix until its level with the surrounding grass and use your foot to smooth it out.

Try to avoid taking divots on practice swings and resist the temptation to use the course as a practice facility. You may want to drop a few extra balls to work on a tough shot, but it doesn't take many golfers doing this to greatly increase the number of divots. Please keep your practice sessions at the practice area.

Even when golfers and the Greens Team do all they can, there are going to be times of the year when lots of play and imperfect weather keep divots around longer than anyone would like.

As we head into July, the heart of our summer season, we are expecting to see an increase in general play and member play in addition to the multiple tournaments we host for the month. July always will be our busiest month of the year. We will do our best to handle any

problems that come up as well as making sure all members' results are done in proper time. We ask that you be patient as we strive to provide the best service to the membership and our guests.

I hope everyone has a great 4th of July and gets a chance to watch the fireworks show on the canal. Don't forget to swing by the shop and check out our custom AGYC 4th of July apparel.

We have added additional tournaments in July compared to previous years including small outside groups on the weekends. Please feel free to look at the calendar we have posted in the Golf Shop to see all blocked out days. Remember any day that the course is blocked to host an event you, as a member, can go play at any of our sister reciprocal courses. Just ask anyone in the Golf Shop to call on your behalf to make the tee time.

Maybe if we look like yard art they won't notice us

Our tip of the month

Practice Time and How You Get the Most Out of Your Time

You should always have a plan for each practice session.

You do not have to be overly detailed, in fact, you don't even need to work on anything in particular! Maybe you have been playing well, and you just want to keep it going, or maybe you just have a few minutes and want to get a few swings in. In these cases, it can easily end up with you just hitting some aimless shots where you do not know if you've actually hit a good shot or not.

If you are just going to hit a few balls, especially before playing, make sure you always pick a target so that you recreate a feeling like you'll have on the course.

The main point is that if you go into a practice session with a goal in mind, you will find it much easier to have a positive one!

See you at the course!

Next up in July:

- July 8, First Mates Practice & Horse Race
- July 9, First Mates Invitational Tournament
- July 15-16, WJGA District Championship

SALMON FOR SOLDIERS

The 10th Annual Salmon for Soldiers Charity Golf Tournament is Saturday, July 20!
This is one of Alderbrook's largest tournaments thanks to YOUR support.

Salmon for Soldiers is a nonprofit that takes veterans and active-duty military members fishing at no cost to them. Salmon for Soldiers has no employees; all funds donated go directly to sending veterans and active military members fishing, promoting comradery and healing.

There are a number of ways to support Salmon for Soldiers, even if you don't golf ...

 If you live on a fairway, decorate your yard/home in a red-white-blue Americana theme and be eligible for a great prize.

 Honor a veteran or active-duty military member with a \$50 donation for a poster that will be placed on our Path of Valor.

Posters are yours to keep after the event! You will need to send a photo (.jpg, .jpeg, .bmp, .png, .pdf) and up to two lines of text (name, rank, dates, branch of service). Please send photos and info to s4srayni@gmail.com, and contact Penny Shelton for payment at penniepaints@yahoo.com.

Must be submitted **no later than July 5** to be included in the Path of Valor at the event.

 Donate gift baskets and unique raffle prizes (plane rides, boat trips, truckload of rock, be a golf caddie, patio dinner, your imagination is your only limit). Contact Alicia Blake at aliciablake@outlook.com or Penny Shelton with any questions and ideas.

 If you would like to participate by volunteering the day of the tournament, please contact Eileen Baumgardner at evbaumgardner@gmail.com. There are a variety of positions that need some extra support.

 Join us at The Pointe for **Operation Song** on Sunday, July 21. Combat veterans are paired with professional songwriters who set their stories to music.

It is a beautiful and emotional healing experience. AGYC members who are not festival ticket holders can purchase tickets at the Clubhouse for \$10 after July 1. A brunch buffet will be served at The Pointe for \$20 along with a full bar. Doors open at 10am, concert starts at 11am.

We hope you can join with us in some way at this year's fundraisers to honor our veterans.

Summer is in full swing! The weather is working out most of our Tuesday and Thursday golf days. June brought us the start of the Captain's Cup! Enjoy the nice weather and Happy Fourth of July.

TRI-MIXER: Lake Cushman Ladies Club will be hosting this year's Tri-Mixer for nine-holers on Tuesday, July 30! There is a 24 player limit per club and the sign-up sheet will be available in the Ladies Lounge once we finalize the cost and additional details. Stay tuned ...

Questions? Lynda Schwindt jinboys123@gmail.com or Dianne Brown redbrown@hcc.net.

CAPTAIN'S CUP: Two golfers will play hole-by-hole match play format, either 9 or 18 holes. The winner advances, with the winner of the final match being awarded the Captain's Cup title.

The Captain's Cup is a great tradition with our Ladies Club! Enjoy the tournament and winners will be honored at our end-of-season luncheon.

Thank you to the Flag Day Committee

Member/Member Tournament

A grand field of 32 two-person teams played 27 holes of golf over two days in the Ladies Club Member Member Tournament. Challenging our skills on 9 holes in each of three formats: Scramble, Chapman and Best Ball. Then if this was not enough . . . the team winners from each of the four flights played in a playoff on hole 18. Check out the smiles on these faces. Clearly everyone had a great time!

Ladies Putters Club

Putters Club is alive and well this season. It is never too late to come out and join us.

While the primary focus of lady putters is to have fun, play with new neighbors and reconnect with old friends, the sporting object is to accumulate "Bluebirds" on our golfing aprons - because Bluebirds are the sign of a hole-in-one, each golfer's ultimate goal. And the more the merrier. Achieve 10 Bluebirds and you turn them in for an Eagle pin.

A couple of outstanding feats have happened so far this season:

On June 10, starting on the "back 9," Robi Martinson scored 4 aces and 13 2's; the only blemish on her card was a 3 on the 18th hole (her 9th of the day). Her score - 33 - tied a similar feat by Peggy Willis on July 17, 2023 (also with 4 aces). Great playing!

Lynn Wesley's 11 aces is the highest total so far (through 6 events).

Wendy Campbell, Mary Ann Johnson and Sandy Sjostrand have played every week so far.

New members are welcome any time!

The Community Garden Open House on June 22 gave gardeners a chance to show off their garden beds and talk with community members about the joys of gardening.

The garden beds are varied - vegetables, fruits and flowers. Many also have beautiful artwork, including glass globes and wrought iron sculptures.

Sharon Ferguson, Judy Hartford, Jan Weatherly & Linda Cresswell enjoy a glass of wine while perusing the garden beds

Yacht Club By Ron Edwards, Commodore

A great turnout for the Alderbrook Yacht Club's June event - "Chicken, Chicken and More Chicken" potluck! It looked like a squall could leave us high and dry until Linda Creswell led us in the Pledge of Allegiance. After that it was smooth sailing - the music started, bocce ball commenced and I'm hoping everyone (close to 100 folks) had a great time. The Yacht Club crew purchased three new sets of bocce balls thanks to Carol Norbeck's efforts.

Soft Rock entertainment provided by Steve Beck & Freddie Bear

Our next event is Monday July 15 at the Wickiup

The theme is "Hamburgers, Hot Dogs and Baseball." Wear your favorite team's shirt, jersey, hat, etc. Go Mariners but all teams are welcome, even the Detroit Tigers (Bill Holtz ☺).

The Windjammers band will be playing music for our entertainment. They played down at the Polar Plunge and were quite enjoyable. Hamburgers and hotdogs will be provided by the Yacht Club. Rear Commodore Marcelo will again provide his exceptional beverage service!

The weather is expected to be beautiful and we'd love to see full attendance by our members and their special guests. Looking forward to seeing you all on the 15th.

Sweatshirts & T-shirts

I am also putting in my last sweatshirt / t-shirt order soon. Please contact me via email if you are interested in getting one. Sweatshirts are \$34, t-shirts are \$20.

Shaping a Brighter Future for All Students

As the school year ends, our team is reflecting on our progress in serving our students and the community. Many of our efforts are centered around four major goals:

Literacy, Communication, Culture and Attendance.

Literacy: Empowering our Students

Literacy remains our top priority, as it is the foundation for learning. This year, we provided more opportunities for teacher collaboration and training. Every Wednesday afternoon, our teachers participated in activities to receive training from educational experts, review student growth data, adjust lesson plans and discuss methods to better meet individual needs. A committee of staff and administrators was formed to adopt a new K-5 reading and writing curriculum that emphasizes strong foundational skills for K-2 and comprehension for K-5, ensuring consistency and eliminating gaps in learning. Our Board was excited to approve the new materials. This significant investment will be a huge step forward for our students, as we implement this new curriculum in September.

Building Stronger Communication

We recognized the need to improve communication. This year, we've dramatically increased our social media presence, updated our website including contact information for board members and hosted coffee talks with the Principal. We've engaged families at school events like our carnival with record attendance of 450 people! We surveyed parents for their input on a variety of topics. Our newly formed Family-Teacher Organization (FTO) is supporting school functions and raising funds. Our Indian Parent Committee (IPC) is growing with new leadership and ideas. Our Principal's Sunday evening calls to families have boosted attendance and engagement. Our Superintendent, Dr. Gibbon, has partnered with the Skokomish tribe, neighboring districts, local organizations, state agencies and community groups to enhance our district's profile and build strong relationships. Communication will continue to improve as we launch an updated website, new school app and publish an informative new annual report.

Celebrating and Strengthening Our Culture

The pandemic brought unprecedented challenges that affected our district's culture, leading to learning insecurity and a lack of enthusiasm for school. Frequent changes in leadership exacerbated these issues. However, we are pleased to have stable leadership in place now and we are developing a district plan with broad input from all stakeholders. This plan will outline our educational values, goals for our students and the steps we will take to achieve them.

We remain committed to honoring and integrating the rich cultural heritage of the Skokomish Tribe into our school programs and activities, ensuring that our Native students see their identities reflected and celebrated in their education. All our students have benefitted from three Native History and Culture assemblies this year and an incredible Earth Day celebration at Potlatch State Park. This summer, our staff will be trained by the Office of Native Education on the "Since Time Immemorial" curriculum and the District and the Tribe are co-funding an effort to enhance that curriculum with the Skokomish and Twaduwq history, culture and traditions. This will allow us to teach the children of our community the interesting and living history of the place where they live.

Enhancing Attendance and Engagement

Attendance became one of our key priorities. Our Principal, Mr. Torres, introduced creative attendance challenges that have led to a significant improvement in regular school attendance. Ensuring that students are present and on time is crucial for their learning. Our recent efforts, including community truancy teams, have made Hood Canal a leader in the state in improving attendance.

A Call for Community Partnership

The success of our students relies on authentic partnerships with families, the Tribe, government agencies and local businesses. We're proud of the progress this past year, but we know there is more work to be done. We need your ideas, feedback and perspectives. We invite you to attend school events, respond to upcoming surveys, visit or livestream Board meetings and reach out any time to share your ideas and concerns. We are here to listen and respond. Together, we can transform Hood Canal from a good school to a great school!

Condolences

Mike Logan

Long-time resident of Alderbrook, Mike Logan passed away peacefully at home, surrounded by family on Monday afternoon, June 24.

Mike and Karen lived on hole 12 and golfers could depend on hearing Mike's "encouraging" words as you played that hole. Mike will be truly missed.

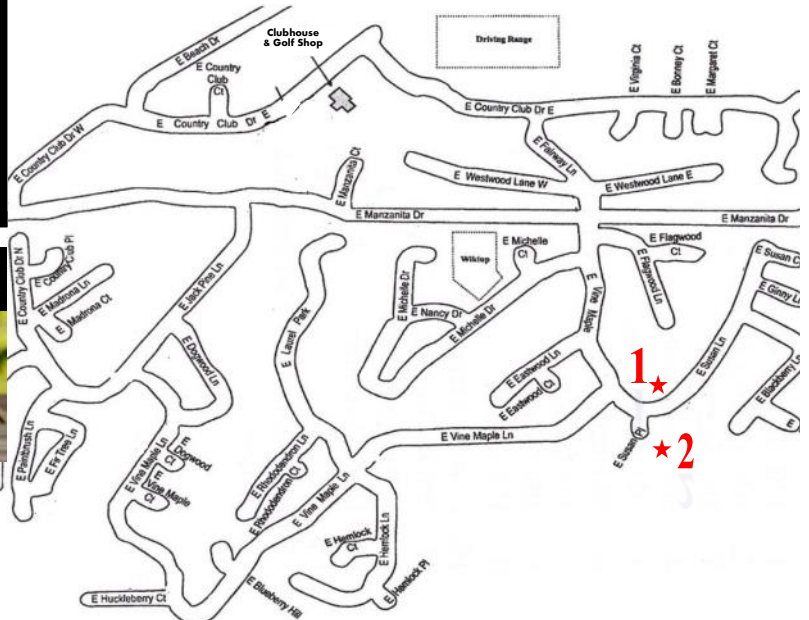

Services will be held at noon, Saturday, July 6 at Prince of Peace in Belfair.

Screen Time By Alderbrook Properties

Summer is here, bringing cool breezes scented with nature's greenery from our beautiful Alderbrook community. To fully enjoy it, now is an excellent time to prepare window screens to help keep bugs, leaves and debris out of your home but can gather the dirt and dust, impacting your view. Regular cleaning not only enhances your view but also improves air quality and extends the life of your screens. Here are some tips to make cleaning easier:

- 1. Carefully remove the screens, handling them only with the plastic pins or tabs to avoid damage.
2. Mark each screen with the corresponding window if cleaning multiple screens at once.
3. Use an eco-friendly cleanser mixed with water or mix 1/4 cup of white vinegar with 1/2 gallon of warm water.
4. Spray the screens with a hose or rinse them in the shower using minimal water pressure.
5. Lightly scrub with a soft-bristled brush. If the cleaning solution gets dirty, discard it and mix a new batch.
6. Rinse the solution off with minimal water pressure.
7. Dry the screens by shaking off excess water. If drying outside, flip the screen to dry both sides evenly.

Cleaning once or twice a year is usually sufficient to keep your screens in good condition.
