**Old Business:**

- None

**New Business:**

- Dick Drenckpohl proposed a change in the Men's Club green tee usage. Since the new USGA rules were changed to allow players to play from any tee box, which would adjust their handicap appropriately, Dick is suggesting that we eliminate the age requirement that our Men's Club has been following. After much discussion and reviewing the SOP's of our association, there was a motion by Denny Flannigan to "play according to the USGA rules". It was seconded by Ian Roberts. A show of hands showed an unanimous vote in favor of the motion. Motion passed. Therefore, all future Men's Club games on Wednesday and Friday will allow all players to play from the tee preference of their choice. In regard to KP's, we will monitor the situation and address this at a future meeting if needed.
- Many of the trophies from 2020 (COVID) were not engraved. Therefore, at the conclusion of the 2021 season, all trophies will be engraved for the 2020 and 2021 seasons.
- The Meeting was adjourned at 8:44.

Respectfully Submitted:

Mark Maxfield, Secretary
