

Men's Club Minutes
October 6, 2021

The Meeting was called to order by President Mike Johnston at 8:15 am.

There were no new members present.

The Minutes and Treasurers reports from the September, 2021 meeting were passed by a voice vote unanimously.

The Election of officers were held. Having only 1 person running for President, Captain, and Secretary, all were voted into office. Three people decided to run for Treasurer, Tim Micek, Ladd Dooley, and Dan NicholSEN. The ballots were passed out and the voting was tabulated. The results were the closest in many years, with Tim Micek winning by a single vote over Dan NicholSEN.

The Golf Committee did not have a report. The Greens Committee reported that monies have been appropriated for the remodeling of the 18th hole pond area. The first pond will be removed and a sand trap will replace it. They are also looking at redoing the 18th green but more research is needed before money is approved for this.

The Turkey Shoot has been moved from October 16th to November 6th to coincide with our annual awards Luncheon. We will golf in the morning and the luncheon will be in the afternoon. Times and costs for lunch will be announced soon.

Captain's Report

The women won our match handily on September 16th. Enough said!

The Captain's Cup winners were: 1st Flight - Gerry Cassell with a net 61. The 2nd Flight was won by Tom Hoshikawa with a net 62.

The Alderbrook Challenge winners were: 1st place Dan NicholSEN with a net 29 (won on criteria), 2nd place was Lloyd Bankson also with a net 29, and 3rd place was Bob Haselwood with a net 30.

Please continue to use sand bottles and repair your marks on the greens. Also, when the sign says "Cart path only", plus keep the 4 wheels of your cart on the path everywhere on the course.

Handicap Chairman's Report

Post your own scores ONLY if you do not participate in the Men's Club \$5 game on Wednesday and Friday.

New Business

Sam offered 11 openings for a Bandon Dunes trip in January. If interested, talk with Sam. Starting today, winter rules will be in order for the course. This means if you are in the short grass you may mark, pick up, clean, and replace your ball 1 club length, no closer to the hole. If you are in the rough, you may mark, pick up, clean, and replace your ball 6 inches no closer to the hole. This does not apply to balls in the sand traps, unplayable balls, and out-of-bound balls.

Meeting was adjourned at 8:40.
